

KLove serves me as a resident of Peoria/Phx with family & christian programming I have come to enjoy. If KLove were to be displaced by LPFM I am afraid I would lose the wholesome values and positive impact KLove has. I know this sounds generic but KLove DOES provide a service that is in the public interest. I have 5 children and this is the only music station I feel comfortable putting on with them in the car. I know there will be NO foul language or inappropriate songs. This is ONE positive station- PLEASE don't take it away!! God Bless
